MEMORANDUM FOR : Chief, Contracts Division, OSA
Chief, Development Division, OSA

25X1A SUBJECT : JetStar Operation
REFERENCE : Letter from Mr. C. L. Johnson to Dr. Scoville,
Dated 29 January 1963; Same Subject (OXC-4446)

1. Dr. Scoville called me from his home 13 February to request two actions be taken by OSA with regard to the reference. These are:

a. That a memorandum be prepared for his signature to Kelly Johnson responsive to the reference and accepting the proposal to utilize the aircraft at the rate of \$525 per flight hour. I would suggest that the memorandum further touch upon any other pertinent formal business connections with regard to the use of this airplane such as whether or not it will be covered under an extension of CON-200 or not, etc.

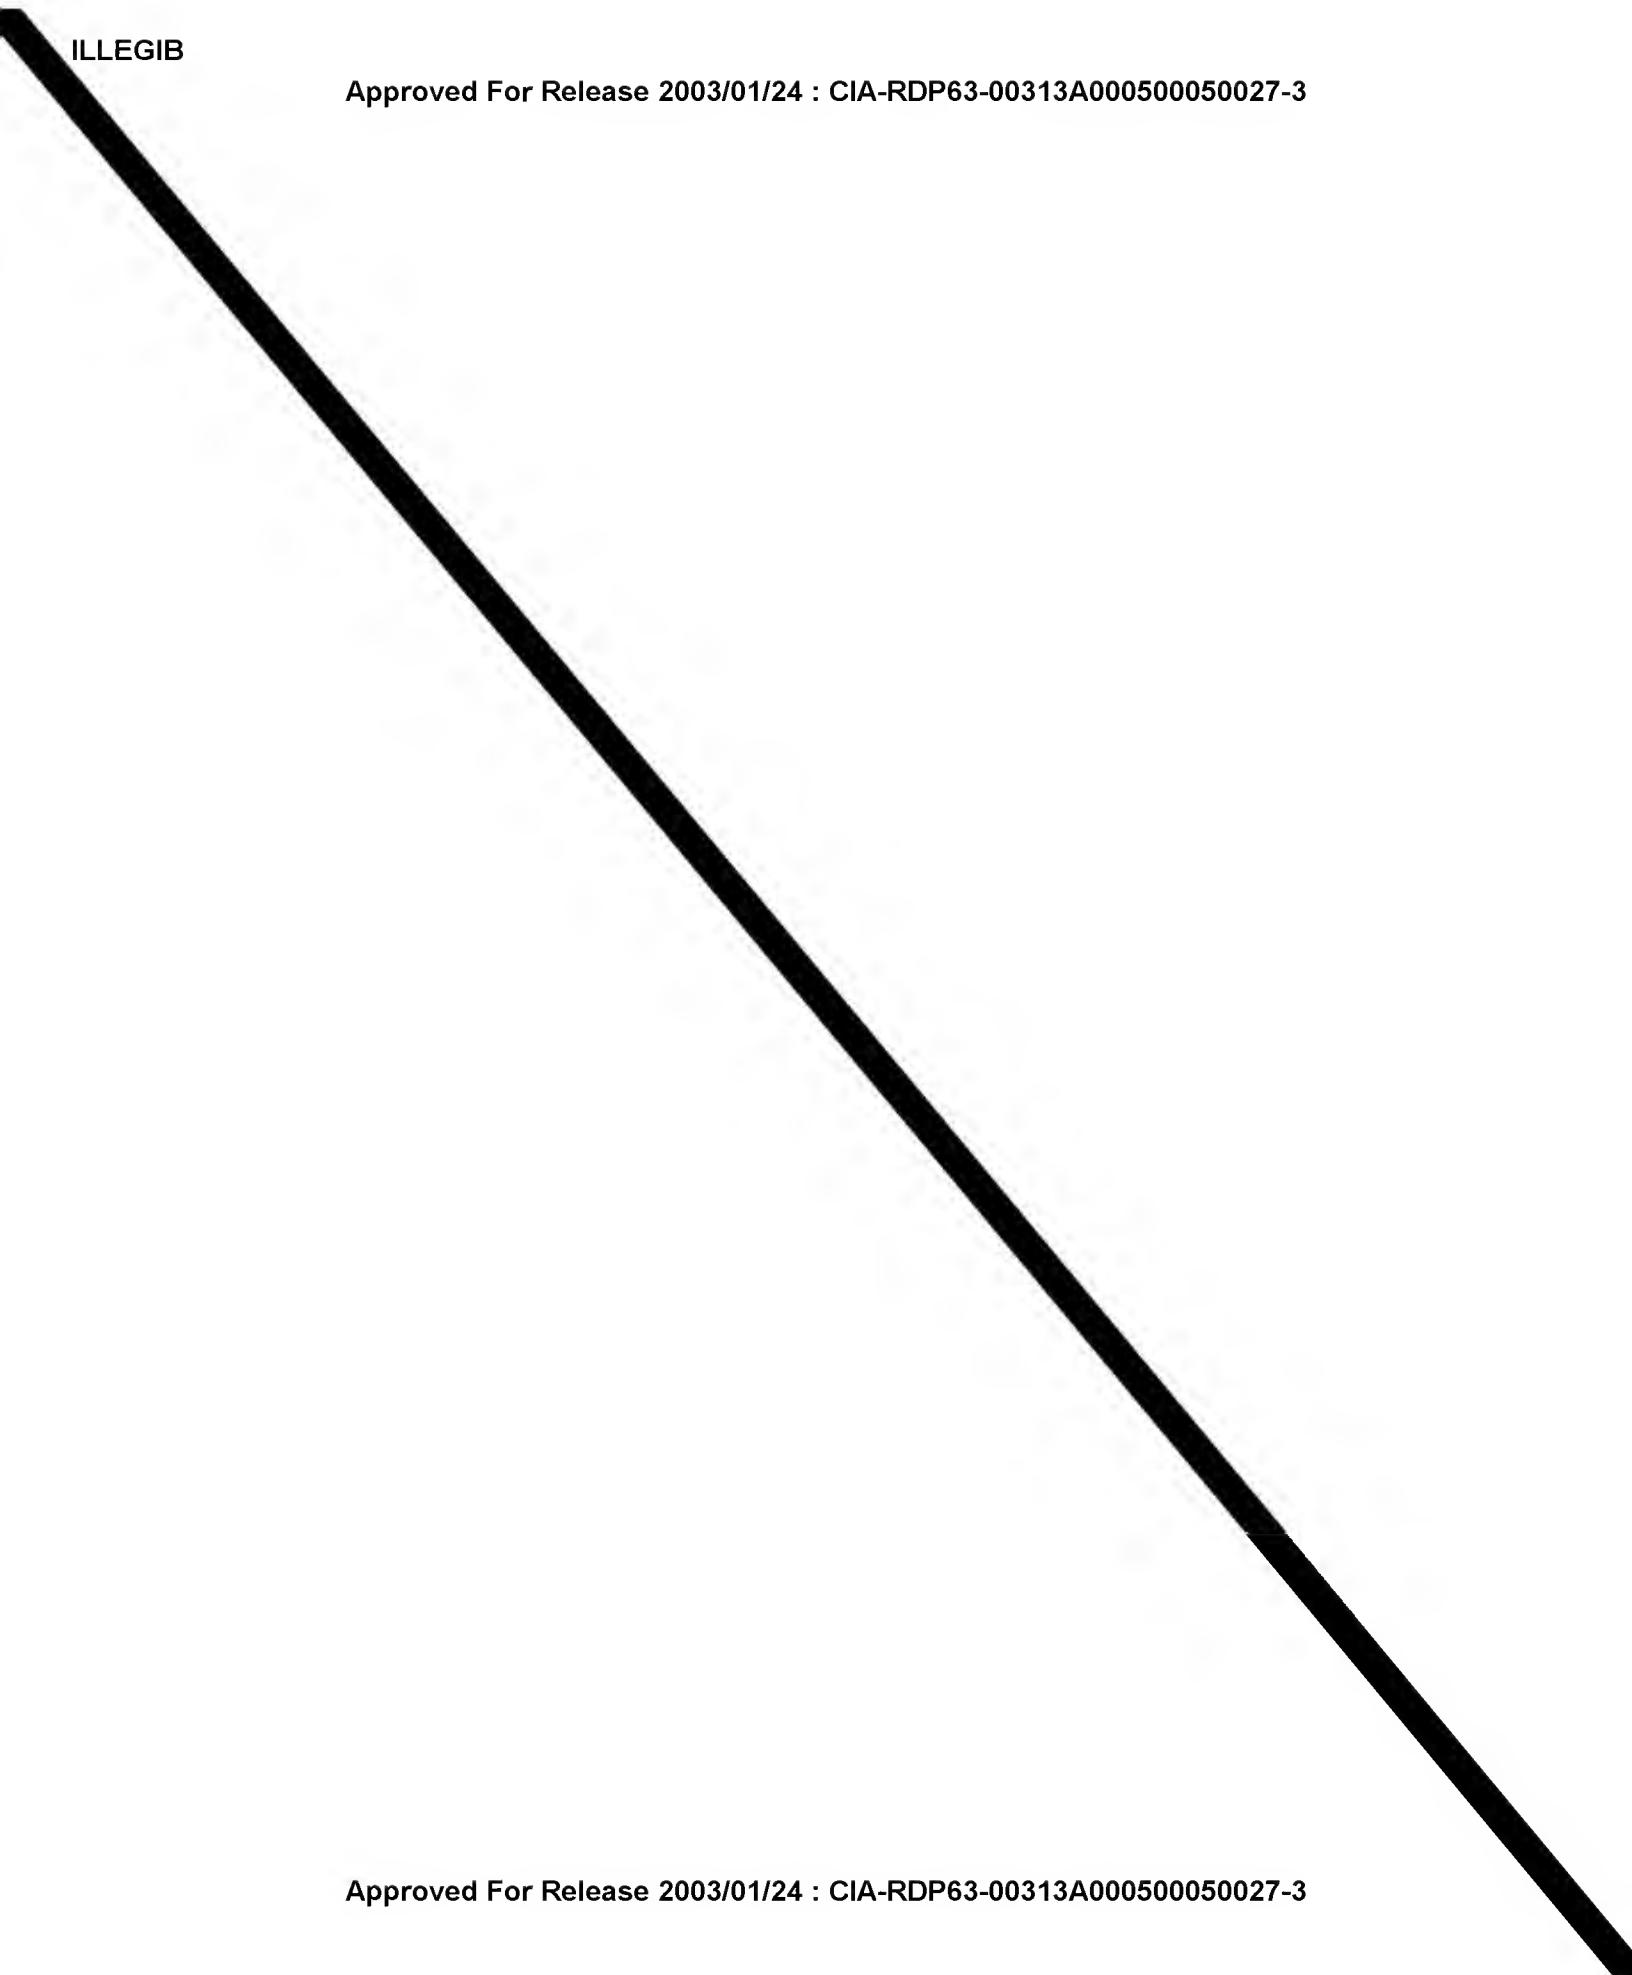

b. That the Chief, Development Division, set down in a Memorandum for the Record the reasons why we have decided to use the JetStar in support of the OXCART Program and other related uses which I understand Colonel Giller is contemplating. A copy of the latter memorandum should, of course, be made available to the DD/R.

2. It would be appreciated if I could be advised when each of the above actions have been completed.
